**Air hand shape + Jupiter Dominant
= Big Ideas**

Jupiter is ambitious, expansive, has the big picture, rules his kingdom
and Air is mental, examines, analyzes, figures out.

I

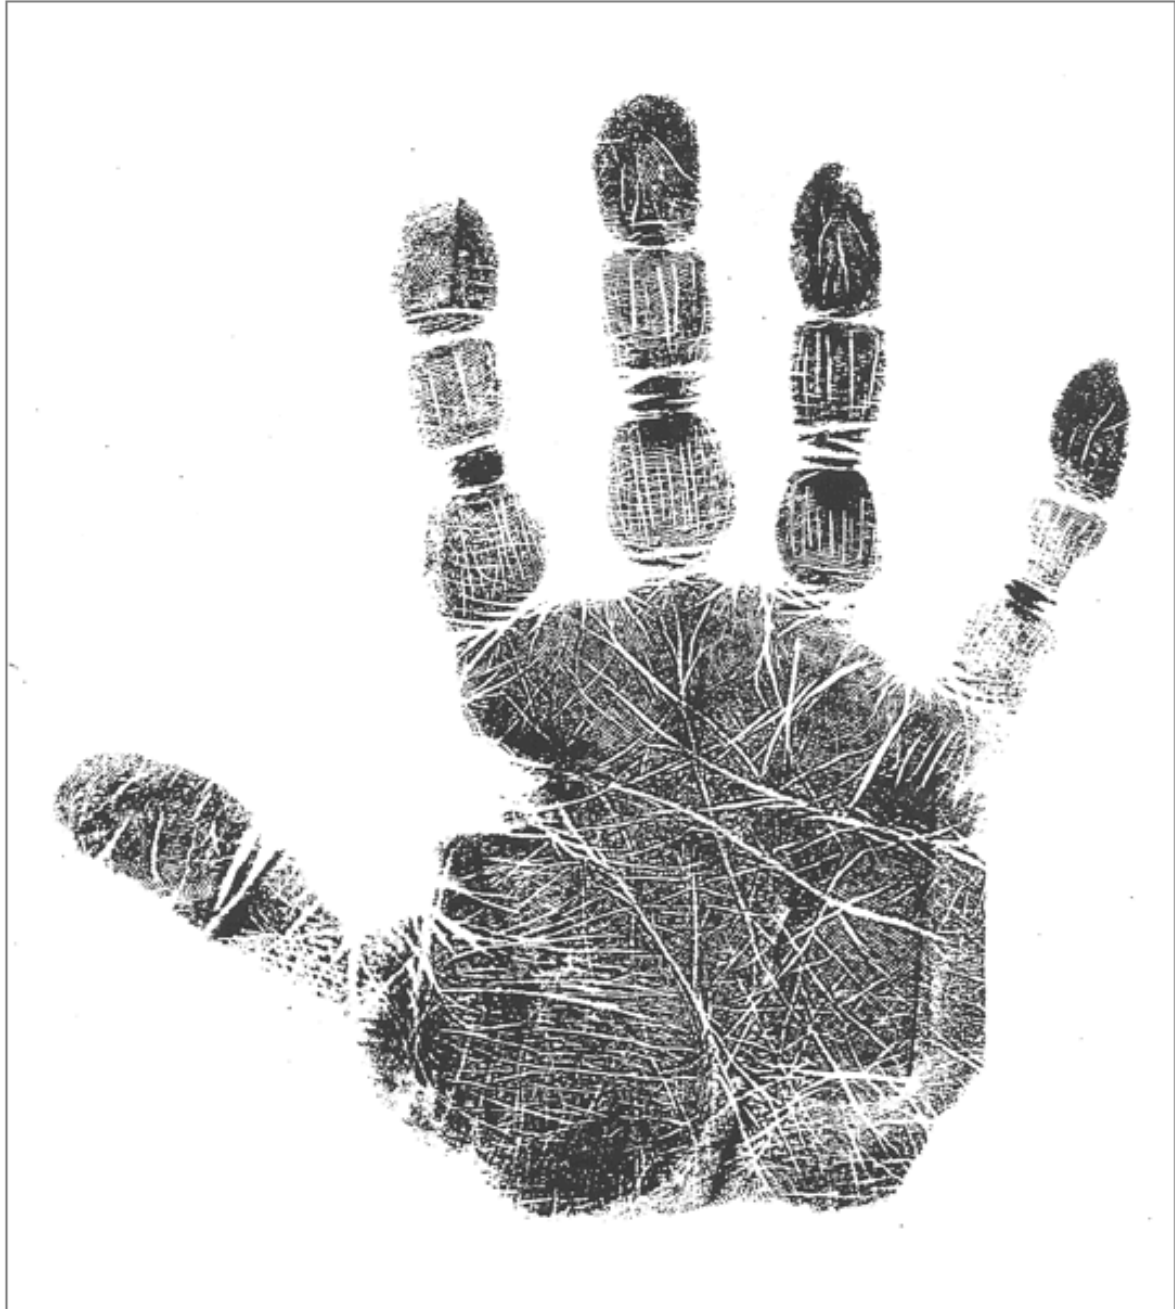

During these calls you will:

- learn to identify the hand shape even with hands that are less obvious.
- learn the good day and bad day scenarios for the archetype
- learn how the archetype changes through time/life cycles.
- learn to combine the archetype with various fingerprint combinations and other markers in the hand.

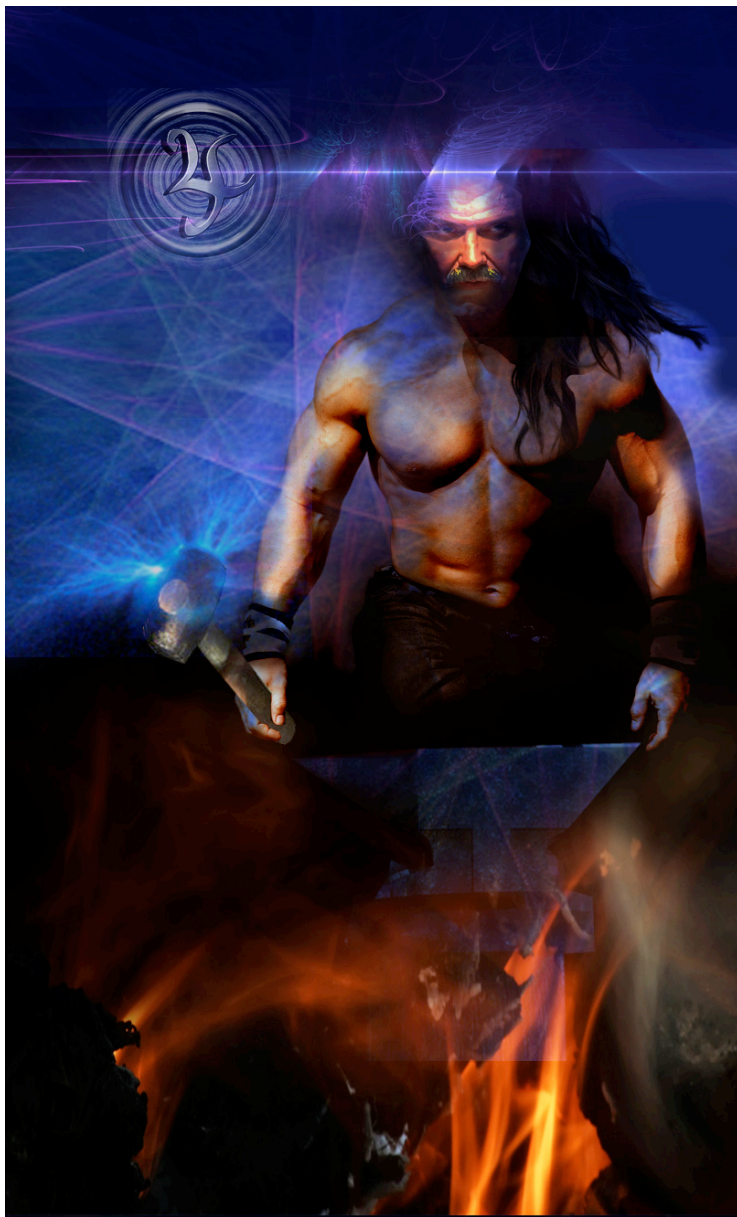

For example, look at the extended doubling on fate line on the hand above (as discussed during the call.)

Fire hand plus Saturn

Hephaestus

Fire wants creativity, color, action, exciting, new.
Saturn wants isolation and discipline,
blacks and grays.

We'll explore the good news and bad news of this archetype
and we'll be combining this archetype with fingerprints
and other markers in the hands.
