

Success starts when
you know yourself.

Know yourself then be
yourself.

Your hands show you
how.

Life Purpose and Self Discovery Hand Analysis

Sunday 25 November 2012 . Geneva Switzerland

Did you know that your hands reflect who you are on a deeper level? They show your life purpose, your hidden potential, special talents and lots more. Wouldn't you like to be able to read this from hands?

On this full day course you will learn:

- ✓ How to read life purpose from your fingerprints.
- ✓ How to read heart lines and why this helps at work and in relationships.
- ✓ What are your strengths and talents? Learn how to see these in hands.
- ✓ What are your soft spots? How knowing your weaknesses helps you overcome them.

In the morning we will learn about personality challenge and gift markers. In the afternoon we will learn to read life purpose from fingerprints. If you are looking and pondering at your hands now ;-) then this could be something for you. Come and learn something new about yourself.
